ONE
MIKASA

We began as NewMika, bringing beauty and quality to every surface we touched. Today, the name evolves, but the soul stays the same. Because the trust, the craft, and the promise you believed in, remain unchanged.

For years, Mikasa has shaped your world with **floors** that carried your laughter, **doors** that opened to new journeys, **veneers** that wrapped your walls in elegance, and **plywood** that gave strength to the heart of your home.

Now, it all comes together under one name, Mikasa. NewMika, from the legacy of Greenlam Industries Ltd, becomes Mikasa. It's not just a change in identity but a unified world of complete solutions for every space you call your own.

Because your trust deserves one commitment, one promise, one **Mikasa**.

These laminates excel in their position as a modern alternative, developing into surfacing options that display intricate textures, unmatched designs, and above all, a unique you.

UNIQUE FEATURES

ANTI BACTERIAL

Mikasa Laminates comes with Anti bacterial property to create a healthy and safe zone for your loved ones that resist the growth of up to 99.99%* common bacteria.

BOILING WATER

Now you don't have to worry if hot boiling water falls on your kitchen counter or dining table as Mikasa Laminates can easily withstand boiling water.

STAIN RESISTANT

Don't let the world see any stain on surfaces. Simply swipe off the most stubborn of stains like, sauces, coffee, and turmeric.

*As per test report bacteria gets 99.99% retarded after 24 hours of contact.

CRACK RESISTANT

Cracks can appear for reasons such as atmosphere temperature, humidity, and seasonal changes. Mikasa Laminates are resistant to all such changes.

NON TOXIC EMISSIONS

Breathe cleaner air and assure your loved ones a safe indoor air quality.

RESISTANT TO SURFACE WEAR

Mikasa Laminates, good looking surfaces last long since they have a protection layer. It resists gradual erosion caused by mechanical, physical and even chemical reactions.

DRY HEAT RESISTANT

Engineered to resist dry heat, Mikasa Laminates remain stable and unaltered, even at temperatures up to 180°C.

DIMENSIONAL STABILITY

Be it any climatic region, Gulf or Denmark, our high-quality laminates handle expansion and contraction quite easily while staying in mint condition.

SCRATCH RESISTANT

We understand how a scratch on your surface is a scratch on your heart. So, for your heart's sake, switch to surfaces that are completely resistant to scratches caused by sharp objects.

Anti Fingerprint

EBC Technology

MATTX

FINGERPRINT RESISTANT

Transforming simplicity into sensation, Mikasa brings an anti-fingerprint super-matte finish that invites touch. It's soothing, seamless and luxuriously understated.

MESA

Mesa brings the texture of ancient landscapes into modern interiors with earthy sophistication inspired by the raw landscapes of Mesa's ancient rock formation. Defined by subtle veins, muted tones and organically eroded textures, it's layered beauty shaped over centuries by wind and time. Ideal for spaces seeking a harmonious blend of nature and design, this finish is rugged in essence yet remarkably refined in execution.

LIABILITY

While the products are manufactured to exacting standards, the nature of the application procedure is beyond our control. Though we are pleased to offer advice, we cannot guarantee the finishing results or accept liability for it. All information is provided in good faith but without warranty expressed or implied. The liability of the company is limited to replacement of defective goods only. It is therefore necessary that prior to any commercial use you should conduct your own tests to evaluate efficacy of the product under the particular condition for its intended use.
